Local Suppliers for A590 High & Low Newton bypass construction - Contractors Laing O'Rourke

A590 High Low Newton Bypass

Local Suppliers for Construction Contractors

A guide to some of the locally available resources

Produced by:
Furness Enterprise Limited, Trinity Enterprise Centre, Furness Business Park, Barrow-in-Furness, Cumbria, LA14 2PN
Tel: 01229 820611 Fax: 01229 820438 www.furnessenterprise.co.uk

Furness Enterprise Limited
Local Suppliers for A590 High & Low Newton bypass construction - Contractors Laing O'Rourke

Welcome to the A590 High & Low Newton Bypass Local Suppliers guide

This schedule of locally available manufacturing and service company resources is meant as an illustration of the range of capabilities available in Barrow and Furness Travel to Work Area. It is intended to act as an initial guide for large contracting businesses involved on the A590 High & Low Newton bypass construction project who are looking to source local suppliers.

The schedule will also be of interest to local firms seeking to identify local resources.

Companies wishing to be considered for inclusion on the listings should write to Furness Enterprise Limited, Trinity Enterprise Centre, Furness Business Park, Barrow-in-Furness, Cumbria, LA14 2PN with brief details of their company capabilities.

Your key contact at Furness Enterprise Limited is:

Stuart Klosinski, Industrial Development Manager *Tel: 01229 820611* sklosinski@furnessenterprise.co.uk

**The information provided in this Register is reproduced in good faith.
Enquirers should satisfy themselves as to particular property, terms, costs, availability etc. with the agents concerned, as well as availing themselves of specialist advice offering surveys, valuations from Royal Institution of Chartered Surveyors (RICS) professionals.**

Furness Enterprise Limited
Local Suppliers for A590 High & Low Newton bypass construction - Contractors Laing O'Rourke
